

Saskatchewan Cluster Development Network

SUPPORT INSTITUTIONS

Saskatchewan Economic Development Alliance

306-384-5817 seda@seda.sk.ca www.seda.sk.ca www.ecdevonline.ca

Non- government organizations, the public sector and supporting institutions can have a strong presence in a cluster, with linkages to stakeholders.

This document contains a inventory of institutions and associated websites by key sector. All organizations listed within were contacted to determine their role in the business development cycle. Unfortunately, few of these organizations responded and as such, we cannot qualify that they will all be responsive to inquiries from industry of cluster developers.

General

Please refer to SEDA's online directory for local economic development contacts.
